

Jennie Lane Cottage

41 Jackson Street • Cape May, New Jersey

The Jennie Lane Cottage is a unique property in historic Cape May. Just half a block from the beach and the Washington Street Mall, and located on one of the most historic streets in Cape May, the cottage also offers privacy and a sense of being tucked away from the bustle of a busy resort.

With three bedrooms (plus a sofabed), two full bathrooms, a kitchen, living room and dining room, the cottage is ideal for families and small groups of friends, but it's also cozy enough for a couple. The cottage is only a few steps from most of Cape May's restaurants and shopping.

Children are welcome, but we can't allow pets. The cottage also is a no-smoking environment.
